**Renewable: One Woman's Search for
Simplicity, Faithfulness, and Hope**

is the story of a spiritual writer, who while trying to change the world, unexpectedly finds the courage to change her life. With wit and wisdom, Eileen shares the engaging journey that brought her from midlife spiritual crisis to fulfillment and hope—and, briefly, to jail. Eileen's journey has led her to work on issues of climate change and endurance.

A leader of Earth Quaker Action Team, Eileen writes for national publications and speaks at conferences, colleges, and religious gatherings. Her previous book, *The Wisdom to Know the Difference*, was endorsed by the Dalai Lama and won the Silver Nautilus Book Award. Eileen lives in Philadelphia with her husband and two children.
